Carmel Public Library thrives with your support

More people than ever before have been turning to Carmel Public Library this year, seeking everything from books and e-books, to foreign language resources, music collections, local history archives,

The Carmel Public Library Foundation continually looks for ways to connect with the diverse interests of our community. Our programming plays an important role in our outreach

taking on our biggest challenges from Kosovo to North Korea to Iraq in a thirty-year career," shares Madeleine Albright, former Secretary of State.

This event will appeal broadly to non-fiction readers, news followers, travelers and all of us as world citizens. This annual program has become a notable signature benefit for us — raising significant net income for the library. Please join us for a night of wine tasting, book signing and time spent with friends and neighbors.

Thank you Friends of the Library!

42nd Annual Book Sale Was a Fabulous Success!!

Friends of Harrison Memorial Library is a dedicated and determined group of volunteers that provide support for many library activities, including every year, a popular and profitable book sale – this year, raising some \$24,000 for the library. The sale is held in August at Carmel Mission's Junipero Serra School Gymnasium.

Close to 10,000 books, DVDs and audio books went on sale, featuring rare and esoteric books, to popular fiction and non-fiction titles. It was a treasure trove of art books, cook books, gardening books, nature guides, histories, biographies, and military histories.

Hundreds of hours are spent all year long collecting donations, organizing the inventory and valuing materials. It's an amazing endeavor – a gift of time and literary expertise.

This cherished Carmel event is a treat for book lovers and bargain hunters alike. So mark your calendar now for this coming summer's event, August 6-8, 2015.

Donations are accepted most of the year by dropping off materials in the Book Room at Sunset Center (San Carlos and 10th) on Tuesday mornings between 10:00 AM and 12:00 PM. For more information call 831.224.4663.

The Program

The Carmel Public Library Foundation's annual fundraising benefit has become a popular event featuring well-known authors on a variety of topics. Last year, *The Mystery Edition* garnished much praise with three outstanding mystery authors. The year before, we featured sportswriter and humorist Rick Reilly. And our first year, we featured three admired fiction authors, Hamilton, LeClaire and Tsukiyama.

Christopher Hill

Set again in the beautiful Sunset Center Theater, *The Non-Fiction World Edition* features former Ambassador Christopher Hill, bestselling author of the recently published *Outpost: Life on the Frontlines of American Diplomacy*. A career diplomat, he was a four-time ambassador nominated by three presidents. He served as

Ambassador to Iraq, the Republic of Korea, Poland and the Republic of Macedonia. He served as President Bush's US Assistant Secretary of State for East Asia. He was a US special envoy for Kosovo, negotiator of the Dayton Peace Accords, and the chief US negotiator with

North Korea from 2005-2009. Proceeds from the evening benefit the Carmel Public Library Foundation whose purpose is to fund the Carmel Public Library, to keep the doors open and to maintain the library's preeminence as a steward and cherished cultural institution on the Central Coast of California.
