A Message From the President

EXPECT MORE: Demanding Better Libraries for Today's Complex World

David Lankes, author, historian, and winner of the Greenwood Award for the Best Book in Library Literature, recently published this visionary book that addresses the subject of library patron expectations in our rapidly changing world.

He asks us to think of change as global, inevitable, constant and complex, and to envision the role of a library as a supportive and well-informed agent of change.

Lankes suggests that it takes a community commitment and a group of dedicated facilitators to truly transform libraries into places of learning in the modern world. Libraries like ours are on a mission: to improve

society through the creation of knowledge.

The Carmel Public Library is diligent in providing our patrons access to the vast array of information, resources and content, often available in multiple formats. Embracing change, honoring tradition, and serving individuals with different needs is what our librarians do exceptionally well every day.

The library website (www.hm-lib.org) offers topics and links to resources that meet local needs: reference services, eBooks and eReaders, audio books, databases, local history articles, *The Readers Corner*, *The Kids Page*, a teen lounge, outreach services, lecture series and Friends of the Library book sale.

We dedicate this issue of “Window” to our loyal donors.

Your contributions provide the support for the Carmel Public Library Foundation to maintain our mission - to provide supplemental funds that will ensure free library service in perpetuity.

Our goal is to keep the library open, thriving and relevant, to advance knowledge, to inspire lifelong learning, and to strengthen the spirit of community in Carmel.

All of this is possible because of your participation. ***Thank you.***

Donor Salute

Donor Salute held Sunday, March 3, in the Reading Room of the Main Library, was a beautiful and memorable event. The annual event recognized donors who have made gifts of \$100 or more to the Annual

Campaign over the year. “What a wonderful community gathering, and a special opportunity to thank personally our special benefactors who truly believe in the library,” said Event Chair Susanne Holm. (page 9) □

Reception for Sterling Circle Planned Giving Donors

In honor of some of the Carmel Public Library Foundation's most committed and generous supporters, Sterling Circle donors were invited to an elegant afternoon reception held at the Park Branch Library on Sunday, June 9. The event, enjoyed by all, was highlighted by author, artist, photographer and garden designer, Elizabeth Murray. The Sterling Circle, named after famed Carmel poet George Sterling, honors a distinguished group of donors who benefit the Carmel Library with gifts made in their wills or estate plans. The plaque honoring Sterling Circle donors hangs in the lobby at Park Branch.

Summer Reading Programs

For Adults & Children

Six Weeks of Reading Fun — June 3 - July 13, 2013

"Reading is SO DELICIOUS!"

Our children's librarians have a terrific Summer Reading Program planned for young readers of all ages with prizes, entertainment, story times, crafts, music and, of course, good books and events! It's a great way for children to improve reading skills over the summer and to inspire the love of reading! For a list of upcoming events, see our Spotlight on Programs & Events, page two.

The **Adult Summer Reading Program** is also back by popular demand! Try a new genre, join a book discussion, write a book review and win prizes. The new Adult Summer Reading Program is open to adults of all ages.

Registration for both the Children's and Adult's Summer Reading Program begins in June by going to the Circulation Desks and signing up! For more information, call the Library at 624-4629 (adult services) or 624-4664 (youth services). Or you can go to the Library web site at www.hm-lib.org for more information! ☐

The Foundation's Mission is to provide vital funds for Harrison Memorial Library that will ensure free library service in perpetuity. Every book, CD, DVD, all of the services, resources, equipment, and programs are funded by charitable dollars.
