Special Donor Issue

A Message From the President

Opportunities Abound . . . Because of You!

Jenice Schultheis,
CPLF President

Over the past six years, as a member of the board of the Carmel Public Library Foundation, I have seen our organization flourish on many levels. This year has been exceptionally rewarding, as I was privileged to serve as President. The Carmel Public Library Foundation exists in order to raise the funds to provide materials for Harrison Memorial Library and the Park Branch, which

is a wonderful asset to our community. We offer our thanks to the many donors in our community who give so generously to make this possible.

But the impact of the Foundation doesn't end there! Our organization also hosts Community Night programs, which are free to the public, and has also established a very successful spring fundraiser held at the Sunset Center. This year's programs were more well-attended than ever, and included a discussion of Ernest Hemingway and his works

with Michael Katakis, a program about the life and work of beloved Carmel artist Jo Mora, with Peter Hiller, local history with Doug Schmitz, a screening of the movie "California Typewriter", and several more.

The capstone of our year was the "Still an Optimist Edition" with best-selling author and Pulitzer Prize-winning *New York Times* columnist Thomas Friedman. We are very grateful to Mr. Friedman, who gave of his time and expertise without charge, as well as moderator, Professor John Arquilla of our own Naval Postgraduate School, who provided a wonderful discussion of world events and how we can thrive in the "Age of Acceleration". This event was extremely well supported by local individual and business sponsors, and we are grateful to them. And for the first time in the eight-year history of this event, the Sunset Center was completely sold out!

This wonderful partnership between the Foundation, the Library and our local community is keeping the function of the library more relevant than ever, as a place to gather, learn and grow. My thanks go to each and every one of our valuable donors who make this important work possible.

—Jenice Schultheis

Fond Farewell to Outgoing Board Directors and Our Board President

As another successful fundraising year draws to a close, the Board Directors bid a heartfelt goodbye to the following outgoing members whose terms are ending in June.

Jenice Schultheis, President

We are so grateful to Jenice for her role with the Foundation for the past six years. During this past year as President she was instrumental in increasing the library's visibility and overall support. This includes a robust

lecture series, recent lobby refresh to the Park Branch Library as well as the development of a new Gathering Space at the Harrison Memorial Library. Thank you for advancing our mission. Jenice will turn the board leadership over to veteran Board Director and current Vice President, Cynthia McCoy in the upcoming year.

Ben Heinrich, Treasurer

Ben has served as Board President two terms and this year he served as Treasurer. We so appreciate Ben's pragmatic approach to navigating a strong, steady course for our library. Those who know him, know that his

passion for the library and the written word are central to his core. Thank you for your dedication and service.

Jeff Greenberg, Board Director

Jeff Greenberg has served as a Board Director as well as Treasurer and member of the Finance Committee. He has provided thoughtful guidance and ongoing support for the past six years. His professional expertise and

commitment to our community has been very helpful in driving our mission forward.

Rita Patel, Board Director

Rita's long-standing commitment to education fueled the partnership that was developed between the Carmel Public Library Foundation and the Carmel Unified School District which has resulted in an array of programs

designed to assist parents and teachers with many of the challenging issues families face today. Rita's dedication and hands-on support of our library has been central to the evolution of the caliber of programs the Foundation continues to bring to our community.

Dr. Bonnie Irwin, Director-at-Large

Dr. Bonnie Irwin is Provost and Vice President for Student Affairs at California State University Monterey Bay. In her professional work, Dr. Irwin has facilitated initiatives in integrative learning, undergraduate research,

interdisciplinary studies and inclusive excellence. Her success in developing strong ties between CPLF and CSUMB resulted in several stimulating programs provided by CSUMB professors, including her own standing-room only presentation.

Lynn Booth-Scanlon, Board Director

is a Vice President and Private Banker at The Private Bank (an exclusive part of Union Bank). She has served as a Board Director as well as a member of the Finance Committee for over four years. She has also taken an

active role on our events committee, expanding support for the library through business and community outreach.

Thank you for
keeping the library
open, relevant and
thriving.

STERLING CIRCLE PLANNED GIVING

Leave a Legacy at the Library

Tomorrow's results are created by today's intentions. Many people contemplate how they can support the library and ensure its growth and sustainability in the future. Some find that a good way to accomplish this is to designate Carmel Public Library Foundation as the beneficiary of a gift from their

estate plan or will. These gifts provide a tax deduction and have a tremendous impact on our ability to keep the library open, relevant and thriving. If you would like information, please contact Alexandra Fallon at 831.624.2811. Joining the Sterling Circle is easy, and the amount and conditions of your gift remain confidential.

Fines—No More! www.ci.carmel.ca.us/library

Effective July 1, 2019 fines on all current accounts will be forgiven. The library's goal is to make sure everyone can enjoy all the books and services the library has to offer. Overdue fines can prevent some patrons from checking out books and other materials from the library. The library wants to unblock accounts and encourage patrons to bring items back. Patrons will still be responsible for returning items on time as a courtesy to other patrons and for charges for never-returned items or damaged items.

Yoga/Mindfulness program for children!

Story time at the kid's library sees record attendance!

You Want It... We'll Get It!

Using a "buy vs. borrow" model, Zip Books program is a fast, cost-effective method to secure the books you want to read. If the book or audiobook that you want isn't currently part of the library's collection, we will order it from Amazon and send it directly to your home, free of charge. You may have one Zip Book at a time. When you've finished with the item, return it to the library and request another! We will then either add your Zip Book to the collection, give to a different library or offer to the Friends of the Library.
