

Harrison Memorial Library Centennial Restoration

REDISCOVER LIBRARY WALK

Hello library enthusiasts and supporters!

We invite you to rediscover your library and share your thoughts as we begin planning for the Harrison Memorial Library's Centennial Restoration. Please come, take a stroll using the maps in this journal, and reflect on your favorite experiences with the library. Tell us what you love about its unique spaces and how the library can be further enhanced for the future. After you finish, please drop off your feedback at the library circulation desk.

Thank you for your valuable feedback.
We look forward to meeting you at the community workshop.
